

NORTH X LIGHT

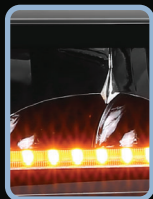

LED DRIVING LIGHT BAR 30" WITH DRL, LOW BEAM, OFF ROAD & STROBE FUNCTIONS

W-33021
Combo Beam
2 Years Warranty

Dual-Color
DRL Function

Amber

White

Description

This LED Lightbar will be very useful in many different ways for many different work tasks. Its main feature is switching from Low Beam to High Beam for safe driving in any weather or traffic density. Another great feature is that you can now activate the "Amber Strobe Function" making this an efficient and powerful function useful on construction sites or wide load transport. The white DRL and amber position light are both selectable as well.

Features

- 18,000 lumens
- LEDs rated to 30 000 hours of operation
- Color temperature 5500 - 6000k
