

DESCRIPTION

- ▶ The PolicePro™ allows control of the EMERGENCY, SIREN, BLACKOUT and AUX functions of the 24 buttons keypad from the auxiliary buttons integrated on the steering wheel of the Ford Taurus and Explorer models (2016 and up).
- ▶ A cluster turn off option is also available. If the blackout option is turn on, the cluster will automatically turn off.
- ▶ This module can also activate the ANTI-THEFT function which allows you to keep the car running while you're away.

FEATURES

- ▶ Compatible with the AMPLTM module from Zone Technologies only
- ▶ Activate SIREN, EMERGENCY, BLACKOUT and AUX keys of the 24 buttons keypad
- ▶ Plug & Play T-harness for the headlights and OBD2 connections
- ▶ Integrated ANTI-THEFT function with automatic shut down when applying a pressure on the brake
- ▶ The WIG-WAG flashing speed and intensity are programmable via easy accessible pushbutton
- ▶ Allows to shut the cluster lights while in BLACKOUT mode
